Dear Parents,

As you already informed that the two levels of Examination will be held in the subject of Mathematics in the AISSE Examination for Class X in the year 2020 and the same shall not be applicable to the internal assessment in class X. There shall not be two levels of Assessment/Examination for class IX. First level would be the same as the existing one, and the other would be an easier level.

The nomenclature for the two Examinations will be; Mathematics-Standard for the existing level of examination, and Mathematics-Basic for the easier level of examination. The syllabus, class room teaching and internal assessment for both the levels of examination would remain the same; so that the students get an opportunity to study the whole range of topics throughout the year and are able to decide upon the level of Board Examination depending upon their aptitude and abilities.

The Standard level will be meant for students who wish to opt for Mathematics at Sr. Secondary level and the Basic level would be for students not keen to pursue Mathematics at higher levels. So you are requested to please give your consent in the consent form and send it back by 06th May, 2020.

Regards

Principal
