- * Prepare a project on properties of Quadrilaterals in a scrap book
- * Solve the given assignment in a separate notebook.

Subject – Science

Dear Students,

As you know, the world is facing an energy crisis due to wars and the excessive use of fuels like petrol, diesel, crude oil, and CNG. Our Hon'ble Prime Minister has appealed to all citizens to minimise fuel consumption and save energy for a better future.

Keeping this in mind, your Summer Holiday Homework is based on the theme:

- ⚡ “ SAVE ENERGY – SECURE THE FUTURE ” ⚡

 **Activities to be Done:**

 **Energy Audit at Home**

Observe your home for one day and identify where electricity, LPG, petrol, or CNG is being used or wasted.

💡 Think & Suggest

Write any 8 effective measures to conserve fuel and energy in daily life.

🎨 Creative Corner

Prepare a:

Poster / Slogan / Comic Strip / Advertisement
on the topic “Save Fuel, Save Earth”

🔍 Scientific Reflection

Write a short paragraph on:

“How can students help in solving the energy crisis?”

📌 Use charts, sketches, newspaper cuttings, and creative ideas to make your work attractive and informative.

🌱 Remember :

“Energy Saved Today is Life Secured Tomorrow.”:

- Read Chapter-3 Health :The Ultimate Treasure
Chapter-4 :Magnetic and Heating Effects carefully.
- Revise the syllabus covered so far.
- Solve the given Assignment

Subject- Social Science

1. Chapter Learning-Learn Chapters 1, 2, 5, and 7 thoroughly along with the assignments and internals.

2. Notebook Work- Write the following neatly in your Social Science notebook:

- * Indian States and their Capitals
- * Union Territories and their Capitals
- * Neighbouring Countries of India

3. Map Activity- On three separate political maps of India: * Locate and label all Indian States and Capitals

- * Locate and label Union Territories and Capitals
- * Mark the neighbouring countries of India

Paste the completed maps neatly in the Social Science notebook.

4. Assignment Work- Complete the given assignment neatly and systematically in the Social Science notebook.

- Create your Gmail ID.
- Make a video on school activities using video editing software and upload it on Google Drive. Share the link to your respective computer teacher.
- Take printout of the assignment and paste in it your computer notebook.
- Take printout of the project work and paste in it your computer notebook.

Subject-French

The Francophone World Map

The Idea: Create a large, illustrated map highlighting different countries where French is an official or widely spoken language.

How to make it: Draw or print a world map and use markers, glitter, or magazine cutouts to highlight countries like Canada (Quebec), Senegal, Belgium, Switzerland, and France.

Language component: Label each country in French, and add small cards noting their capital city and national flag.

1. Take printout of the assignment and paste it in your French notebook.
2. Revise all the topics that has been done in the class.

Subject-Art

Your Summer Vacation Art Homework is as follows:

You have to make two posters in your Art File:

1. Poster on any social issue
2. Poster on patriotic theme

You have to complete both posters neatly and creatively in your art files and bring them after the vacation.

Subject- G.K.

1. Research one famous personality (scientist/leader/sportsperson).
 - Name of the personality
 - Achievements
 - Why you admire them
 - Add a picture.
 - Make it in a scrap file.
2. Write 10 current affairs of the month May in Scrap File.
3. Take a print of Logical Reasoning and learn it.
