

SCHOOL ANNUAL REPORT

Academic Achievements

S.D. Vidya Mandir has made its mark in the field of academics. The School has become a synonym for success. Over all result of the School in Class X & XII Board has been remarkable. In Class X, 568 students appeared and the result was 100% Top Three students of the School Srishti, Somil & Ridhima scored 98.6%, 98% and 97.8% marks respectively. Not only this, 19 students of the School got 100/100 marks in English, Maths, Hindi, Social Science and Foundation of IT.

The result of Class XII was also superb. 497 students appeared in Board Exams and the result was 99.2% Again a big achievement. Topper from the 3 streams scored 98.4% (Commerce), 97.4% (Science) and 95.8% (Humanities) marks and made the School proud of them. 29 students scored 100/100 marks in different subjects.

Sports Achievements

The School doesn't lag behind in the field of sports as well. The students take part in different games and have proved their mettle. In the year 2018-19, 12 students of the School were selected in State Level Tournaments in Cricket, Badminton, Chess and Table Tennis.

Environmental Education

Apart from academics, the students are sensitized about environmental issues as well. Many awareness programmes are held in the School from time to time, to make them aware about various environmental issues like Water Conservation, Tree Plantation, Cleanliness etc. In this context, the School has given 1500 plants to the students who have planted these and took a pledge to nourish these plants. Besides, the School has set-up 5 Rain Water Harvesting Systems which are fully functional.

PTA

In order to have a healthy relationship with the parents of the students and to get a first - hand information of their feed-back, the School organizes PTA meetings at regular intervals. In these meetings, various issues like Academic, Discipline, Moral Values and issues like Fee Structure etc. are discussed. Parents are acquainted with different activities going on in the School. On their part, if they have any problem or complaints, the same are solved.

School Management Decisions

The School is run by a very efficient Management which works under their Parent Organization, Shri S.D. Education Society (Regd.)

The School is making success in leaps and bounds under the able guidance of the Management. Since last year, there have been various reforms and changes under the Present Management. To name a few – the School purchased 14 new Smart Class hardware, teacher of the School attend CBSE capacity Building Workshops to be acquainted with new teaching methodology & curriculum adopted by Board, Six new buses have been purchased for the convenience of the students, the Third Floor of the School is being renovated to make it safer for the students, renovation of the Swimming Pool has been carried out making it fit for the use of the students. Apart from this, the Management & Staff has shown humanitarian feelings by helping the Kerala Flood Victims (2018) by donating Rs. 2,43,267.00 and Rs.1,21,000.00 in Prime Minister's Relief Fund.
